Arrowhead River Adventures
Don and Anne Kirkendall

Dear Don and Anne,

The members of the Rogue River Guides Association would like you to know that we are deeply sorrowed by the news of your illness.

You and Anne have built such a great company with Arrowhead River Adventures by taking clients on exciting adventure in wilderness areas, hiking, catching salmon and steelhead, white water rafting, and kayaking on wild and scenic rivers. It's no wonder you have such a great reputation.

Outfitters like yourself are what make this industry so great and keeps our customers coming back for more. At the same time you have provided good jobs for other guides, allowing them to support their families.

Your past support, membership, and professional presence in the Rogue River Guides Association is commendable. Please know that if there is anything we can do to help, you or Anne only need to ask.

We know you won't need a guide to take you to the next level of life because you already know the way. All we ask is that you to leave a few fish for us to catch for when we get there too.

Our prayers are with you.

Sincerely,

Gene Gros

President
Rogue River Guides Association
