

Bring Back The *Salmon & Steelhead*

IN-STREAM EGG INCUBATOR BOX

1,000 egg unit costs Just \$45.00 and is reusable forever! The answer to putting wild baby salmon and steelhead back into our rivers and streams.

Hal Borg

According to Dr. David Noakes, Director of the Oregon Hatchery Center, and a noted Fisheries Scientist. Eggs from wild male and female salmon, hatched in an in-stream incubator box, will produce wild baby fish with up to a 90% hatch rate!

Here's your chance to be a part of the biggest fish enhancement project in the Rogue River.

If you or your organization are interested in sponsoring "***Bring Back the Salmon and Steelhead***", or would like more information please call.
